DUFB has made local organic products more accessible to my family and I, by being able to double my purchase amount of fruits and veggies	La Semilla
I was full time manager of the first food coop in SF in 1975/76. Before that I worked for Erewhon Natural Foods in Boston. In the 80's I was director of the first exotic edible 2 acre garden in SF - first farm to trable restaurant. In the early 70's I lived on 300 acres where we grew food. Organic, healthy food is a good part of my life. I am so grateful for this program, which permits me to shop at farmers market.	Santa Fe FM
Bringing me to Santa Fe more often to shop here from my homestead in San Miguel Co.	Santa Fe FM
I could not afford to eat so nutritiously and support our local community of farmers without it I am deeply gratreful!	Santa Fe FM
DUFB makes real food affordable and obtainable. Please continue to support this program.	Santa Fe FM
