

Conference Evaluation Form

Local Food Connects Conference, March 6-8, 2024

1. What aspects of the conference did you appreciate the most and/or find most helpful?

2. How could the conference be improved?

3. Are there any “learning topics” that you would like the NMFMA’s Board of Directors to investigate over the coming year? (Learning Topics are areas of interest that the NMFMA board looks into on behalf of its members that may inform the work of the organization. Some recent examples include insurance for farmers and climate change resources for farmers.) **Please list any topics you think might be helpful.**

4. At the next conference in 2025:

a) Are there any particular speakers you’d like to hear from? (Please give us their names)

b) What topics would you like to learn more about?

c) How else could the conference address the needs of you and your market better in future years?

Additional comments? Use the back of this page if needed!

Please leave this questionnaire at the conference before you leave.
If you forget to leave it, kindly email it to andrea@farmersmarketsnm.org THANK YOU!!!
